<p><u>OPERATIONAL REPORT:</u></p> <p>1. This report is based on an interview with KORPONAY Miklos, which was conducted with several aims in mind. Primarily, to determine the reasons behind the alleged split between Gen ZAKO Andras and K., present organization and rôle of the MEBK in Austria, the general Hungarian Emigre picture, status of Hungarian resistance efforts and organizations, and finally, and most paramount, to explore the possibilities of utilizing K. to build and operate a new chain type project into Hungary. This latter point was based on the assumption that within G2, USFA, there exists a need for such an operation as now organized, controlled, reliable penetration exists at present.</p> <p>2. On 22 March 1951, Hugo TRUX, an indigenous employee of 430th CIC, Salzburg, known to 35713 personally, reported to 35713 that KORPONAY, former Chief of Staff to General ZAKO Andras in the MEBK, had broken with ZAKO and left the staff of the organization. Alleged reason was that ZAKO had used the organization in political intrigues, while K. favored the pure militaristic line, following a neutral path.</p> <p>GEN. ZAKO is mentioned thruout document.</p>
